

## Creative association "Kultegin"

The creative association "Kultegin" appeared in the 2020/2021 academic year with the direct support of the Director of the Institute of Philology and Multilingual Education, Ph.D., Professor Tanzharykova Alua Vasilyevna. The purpose of creating this association within the institute is to unite the work of all the circles that are part of this association, contributing to the formation and comprehensive self-development of creative and active students. Within the association there are 6 clubs formed from the students of the Institute. Each of them has its own leaders and personal logos.

They are:

In the process of improving the knowledge and abilities of students in these clubs, the director of the Institute, under her direct supervision, attracted the strongest specialists in these fields and organized 2-week online courses for students. At the master courses, our students gained a lot of experience. As a result, the association "Kultegin" together with the students carried out many activities. In particular, for the 90th anniversary of Mukagali Makatayev, an evening "Zhyrlaydy zhurek" was held, a debate on the topic "Internet language and the problem of literacy", held jointly with students of the Republican Specialized Abai School №2, an hour of poetry "Zharyk Kayrat" was organized among the students of the club, a competition "Kalgan izin mangilik ..." a musical evening was held for the Teacher's Day. In the future, we will systematically carry out this work with students.
